WHAT IS THE PRE-CBT SCHEME?

What is it?

A free, two and a half hour workshop designed to improve your knowledge and understanding of the rules of the road to compliment your CBT training.

Where are the workshops?

They will be held at locations across Staffordshire and Stoke-on-Trent on weekday evenings. Two presenters with a background in motorcycling will deliver the scheme. A maximum of 15 young people can attend a workshop. If you wish for a parent/carer or friend to stay, this can be arranged as long as we know in advance.

How will you benefit?

The workshop will help you become more aware of the rules of the road and provide you with the theory on how to be a safer rider. If you participate fully in the workshop, you will benefit from a £50 reduction on your CBT training at one of our partner training schools.

Am I eligible?

You are eligible if you are between the ages of 15 and 21, wish to take your CBT or repeat CBT and you live, study, train or work in Staffordshire or Stoke-on-Trent. If you have any queries about your eligibility, please contact us.

Receive £50 Cash Back off your insurance too!

***Terms and conditions apply.
New business only.**

Parents

Is your son or daughter sufficiently prepared to enable them to ride a motorcycle on the road? Are you aware of what is required to help them stay safe? Would you like guidance on the issues?

We're here to help with an hour long workshop for parents, carers or other family members, in the comfort of your own home, as workshops are provided online.

We offer online workshops for parents providing expert guidance on everything you need to know.

Book your Pre-CBT Workshop or Parents Workshop
