Young Riders between the ages of 16-25

Get the most out of your compulsory basic training (CBT) by completing one of our FREE Pre-CBT / “Ridefree” eLearning courses. We now offer an online workshop in conjunction with the DVSA “Ridefree” programme; so we can cater for everyone. Everything you learn here will lay a foundation for your CBT, and you’ll be a better, safer rider as a result. What you will learn will also help you with your theory and practical test.

You are eligible if you are between the ages of 16 and 25, wish to take your CBT or repeat CBT and you live, study, train or work in Staffordshire or Stoke-on-Trent.
